

**SARATOGA COUNTY CHAMBER OF COMMERCE  
SUMMER EVENTS/CAMP LISTING**

As part of the Saratoga County Chamber of Commerce’s continuing effort to welcome GLOBALFOUNDRIES families to our beautiful community, we are proud to present you with this information resource on summer events/camps. The information contained in the summer events/camp directory was produced with the goal of providing general information on summer programs in Saratoga County and the Capital Region and is not totally inclusive of all camps in the area. With this in mind, we recommend that you contact the individual city, town and/or village in which you live to see if they run their own summer program.
